

This is “Peer Counseling Pause” with Reova Meredith

Love is the most powerful force in Life.

**If we are having trouble trusting God at least one of two things is true:
We do not love God enough or
We do not know how much He loves us.**

As love grows fear lessens – the same with God – as love grows, fear lessens and we can trust Him.

**Ultimately we trust God because we love Him
It is not trust then love but
Love then trust.**

My friend once said, “I don’t think we can love Him as we should until we realize how much He loves us.”

**The Message says, “I paid a huge price for you
That’s how much you mean to me
I’d sell off the whole world to get you back
I’d trade the creation just for you.”**

That’s how much God loves us!!!
